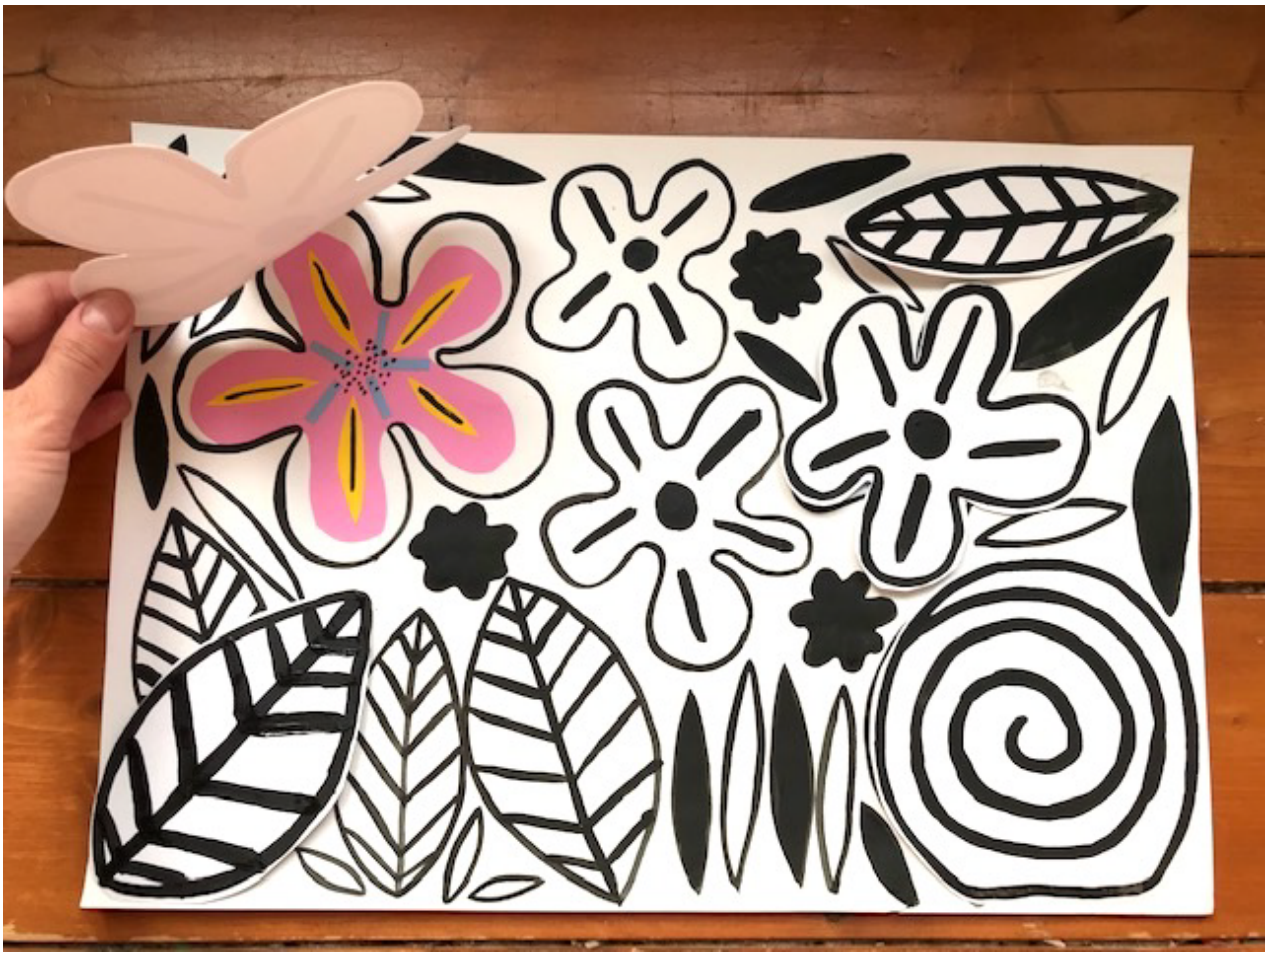
SURPRISE PICTURE



This activity is inspired by ‘lift the flap books’ and combines black and white drawing and painting with colourful collages! The activity has been created as part of the ARTIST STUDIO project, led by Alice Dansey-Wright. Share your work on social media and tag @platformglasgow and use the hashtags #satartclub #creativitymatters and #artistsudio if you can!

You’ll need the following (if possible!):

Scissors (an adult should use these unless you have child safety scissors)
Glue Stick
Selection of coloured paper (or paper that you have painted or coloured in)
Pens/crayons/pencil crayons/paint & brushes
Sellotape
A pencil
2 pieces of A3 or A4 paper (or any two pieces of paper that are the same size and colour)

INSTRUCTIONS

Start by drawing outlines of your picture in pencil. Keep it simple! I chose flower and leaf shapes.

Decide where your surprise collages will be. Add these in.

Now paint or draw in the rest of the picture.

Make your ‘lift the flap’ shapes. TIP: it’s a good idea to put your drawing on a window so you can see the outline of the shapes to draw around to make the flaps fit over the collages.

Stick on your ‘flaps’ with a little sellotape on one corner so that you can lift them up easily.
