SATURDAY ART CLUB AT HOME

ANGEL DELIGHT

Hello again :)

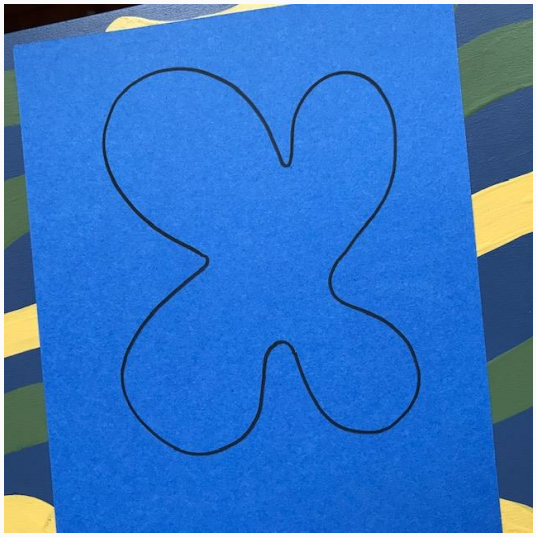
This week for Saturday Art Club we invite you to create angel - inspired decorations for a shelf, table, mantelpiece or tree!

You'll need:
cardboard tube(s) such as the centre of a toilet roll or kitchen roll
scissors
sellotape
a pen
string or wool
tissue paper (ordinary paper or tissue is fine) and some colour paper.

1. Start by cutting one end of your tube into strips approx 1-2 inches long (see picture). Please note that if you are very young, an adult should use the scissors for you.

2. Next, fold your tissue paper so that it fits snugly around the tube and secure it in place with a strip of sellotape. Add a little piece of wool or string around the middle of the tube to become a 'belt' for your angel.

3. Now create the head - cut a oval shaped piece of colour paper, big enough to sit just inside the rim of the tube (at the opposite end to the strips) and secure one end in place so that it is attached to the top of the tube and sticks up to create a face/head. Add eyes/nose/mouth with your pen!



4. To create the wings, draw a set of wings onto a piece of colour paper (or card), leaving a larger gap in the middle that you usually would. Cut them out (again let an adult do this if you're very young) and stick them to the back of your tube to create wings for your angel.

5. The last step is just to decorate your angel as you like, add colour, sparkle, stars!
