

SATURDAY ART CLUB AT HOME

Cereal Box Beach

Hello everyone! As it's been sunnier recently this week's activity is inspired by a trip to the beach. All you need is an empty cereal box, a pen, colour paper, sellotape, a glue stick and scissors.

If you are very young an adult should do the cutting out for you.

1. Firstly, cut your cereal box along the top, side and bottom so that the front opens like a door. You may also wish to make two further cuts so that when you put the box on it's side, the side panel opens out.

2. The idea with this activity is to make your beach scene hidden inside the cereal box so the outside of the box should remain as it is. On the inside of the box add colour paper to create a sandy beach background, sea, and sky.

3. Next, add things to your beach such as a towel, bucket and spade, sand castles, ice cream van- what would you like to see on the beach? Cut them out of paper and stick them in place. Add details with pen or pencil - and it's finished!

You can use your beach as a background for play or a mini photoshoot. You can also surprise someone at breakfast time!

We would love to see what you make, share your work on social media and tag [@platformglasgow](#) and use the hashtags **#satartclub** **#artistsudio** if you can!

Or email photos to info@platform-online.co.uk with a note of your name, age and if you are happy for us to share with our followers.
