SATURDAY ART CLUB AT HOME

FRUIT & VEG STILL LIFE

Hello!

This week is all about capturing the shapes and colours of fruit & veg. Three images have been provided for you to use as inspiration but of course you can use what you have in your house/fruit bowl! This activity is inspired by the wonderful Instagram account @stillherestilllife (check it out!!).

The idea behind this activity is to practice drawing by looking carefully at everyday items (such as this colourful fruit & veg), and to see how many different versions of the same drawing you can do. Alice has provided an examples of drawing the bananas, apples, oranges and tomatoes three ways:

1. COLLAGE:
cut out the shapes of the fruit and veg from colour paper and play around with arranging on your background. Once you are happy with how they look, stick them down with a glue stick.

2. FELT TIP PEN:

this time, draw the outlines of all the fruit and veg with felt tip pen and then fill the insides with either dots or lines rather than block colour.

3. WATERCOLOUR:
if you have watercolour paint, try to capture the shapes and colours of the fruit and veg. If you have other types of paint experiment with that too!

Can you think of other ways to draw the fruit and vegetables?
Use the other photos as well to experiment.

We would love to see what you make, share your work on social media and tag @platformglasgow and use the hashtags #satartclub #creativitymatters and #artistsudio if you can! Or email photos to info@platform-online.co.uk with a note of your name, age and if you are happy for us to share with our followers.

Make sure you are following us on **Instagram** @platformglasgow for some extra pictures and tips from Alice!
