

SATURDAY ART CLUB AT HOME

Hello!

This week's Saturday Art Club is the final part of our Mini Gallery project - making invitations and posters!

Over the last two weeks we have created miniature artworks and a space to show them in. Now it's time to invite people to see what you have made!

You can send invitations to the people who you live with and/or who are in your household bubble. Perhaps you could put your exhibition in your window for people to see or send pictures of it to a friend.

Here are some ideas:

- Find or make a mini envelope for your invitation so there is an element of surprise!
- Choose elements from your exhibition to include in the invitation- colours or patterns perhaps.
- Include information about when you would like to show your exhibition to your friends and family/bubble members.
- Create a poster for your exhibition- this could be to direct people as to where your exhibition is or you could put it up a few days before you reveal your mini gallery and artworks to build excitement!

Have fun and share your images with us if you can!

We would love to see what you make, share your work on social media and tag [@platformglasgow](https://www.instagram.com/platformglasgow) and use the hashtags #satartclub #creativitymatters and #artistsudio if you can! Or email photos to info@platform-online.co.uk with a note of your name, age and if you are happy for us to share with our followers.

Saturday Art Club activities are perfect to add to art tasks as part of the school day or maybe for something extra to do. All our past activities since last spring are up on our
