

# EGG BOX OF DELIGHTS

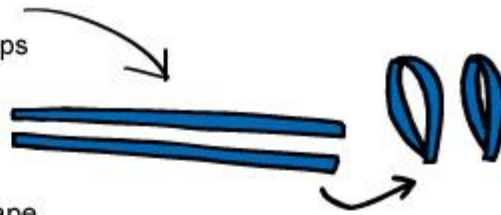

## You'll need the following (if possible!):

- Scissors (an adult should use these unless you have child safety scissors)
- Glue Stick
- Selection of coloured paper (tissue and/or crepe paper is also good for this activity)
- Sellotape
- An empty egg box
- Coloured or painted card
- Anything you could stick on the outside of the box such as sequins/glitter/etc

## INSTRUCTIONS

1. Decorate the outside of your egg box to make it look as exciting as you can! I have chosen to make mine look as though it is a present tied up with a ribbon. Use lots of different colours and as much decoration as you can. Remember that you still need to open your box after you have decorated it!

I made the ribbon effect by cutting 4 strips of coloured card. I then stuck 2 of the strips down to make the ribbon and created 2 loops with the other strips to look like a bow. I fixed the bow in place with sellotape.

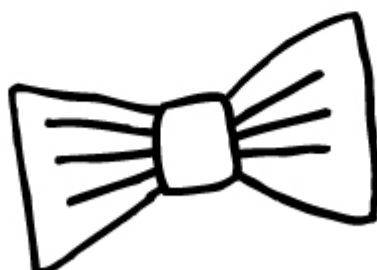

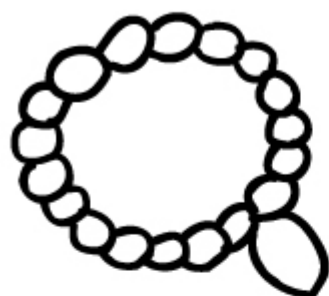

2. Make some little 'treasures' out of cardboard to put inside the box. I have included the drawings I used to make mine at the end of this worksheet.

3. Fill your box with your treasures! I put shredded paper inside my box as well as my treasures and also put a drawing on the inside of the lid. Think about what you could use to make the inside of the box surprising and special.
